Sir:

Prior to taking up the above-identified patent application for examination, please enter the following amendments.

In The Specification

On page 7, lines 18-19, delete "'Solid Phase Methods in Protein Sequence Analysis Methods of Biochemical Analysis", vol 26" and insert --

A1 Sequence Analysis," in Methods of Biochemical Analysis, vol 26-- therefor.

Prior to taking up the above-identified application for examination, the Examiner is asked to enter the above amendment to the specification. This amendment simply corrects a typographical error and adds no new matter to the specification.

It is believed that the claims are in condition for allowance and notification to that effect is respectfully requested. The Examiner is invited to contact Applicants' Representatives, at the below-listed telephone number, if it is believed that prosecution of this application may be assisted thereby.
